

Better Medical Malpractice Coverage for ASPA Physicians

Arizona State Physicians Association (ASPA) announces a new medical malpractice coverage program designed for ASPA members, including:

- Customized coverage options (including carrying over your current retroactive date to eliminate the need to purchase Tail coverage)
- Best-in-class risk and claims management services
- Free and heavily discounted practice management resources

ASPA members now have access to superior malpractice coverage at the lowest possible rates.

Financial Strength

- Coverage provided by a national leader in the healthcare professional liability industry, with over \$5 billion in assets.
- A.M. Best Company A+ (Superior) product rating.

Risk Management and Patient Safety

- 24-hour Hotline for guidance on managing adverse events and high-exposure incidents.
- Support from a team of highly-trained risk management specialists.
- Risk management seminar presenting the fundamentals of effective risk management.

Claims Management

- Commitment to early, aggressive investigation and defense of every claim, providing timely and efficient resolution.
- Collaborative approach to claims resolution – our members' opinions matter!
