

ASPA MEMBERS Stock Option: The ASPA Board of Directors recently approved the sale of membership stock to ASPA providers who are not shareholders. This action was taken to provide all ASPA members with an equal opportunity to share in patronage dividends. As an **incentive** to build our ownership base, New ASPA Owners will have their annual dues waved for 2 years for specialist and 3 years for PCP's, plus annual dues going forward frozen at: PCP's \$300.00; Specialties \$400.00; NP's \$250.00 and Other \$200.00. Shares of ASPA stock are priced at their original cost of **\$1,000**. ASPA Members can only own one share. Funds from the sale of ASPA stock will be used to support its work plan and attain goals. ASPA is proud to announce our new partner:

Athenahealth: creates innovative healthcare technology that connects clinicians, patients, payers, and partners in differentiated ways. Our electronic health records, revenue cycle management, and patient engagement tools allow anytime, anywhere access, driving better financial outcomes for our customers and enabling our provider customers to deliver better quality care. We are excited to announce that our new solution partner athenahealth will be hosting a four-part webinar series starting **##Monday, June 6th @12pm PST##**! As an organization on the fore-front of creating innovative and connective technology, athenahealth will showcase how they allow anytime, anywhere access to patient information while driving better financial outcomes for practices and enabling providers to deliver better quality care. Be on the lookout for a calendar invite to the webinar soon."

Thank you ASPA Members for your continued support, we appreciate you!
