# October

October 1st, 2022

## NEW ASPA PLAN CONTRACTS:

Prime Health Service (PHS) World Trade Center (WTC) Health Program Nationwide Provider Network Participation Effective August 1, 2022. ASPA has sent an Opt-in to participate in this plan. If you have not received the Opt-in and would like to participate, please contact [karen@azspa.com](mailto:karen@azspa.com).

## Imperial Health

Imperial Health Insurance Company for their new Arizona Marketplace Plan. This plan will roll out 1/1/2023. Watch for the Opt-in. You may have signed one previously but the plan was not active so you will need to complete a new opt in.

Tricare (Health Net Federal Services) Reimbursement Change effective Immediately: Tricare will be decreasing their reimbursement effective immediately. Notification has been sent via email and fax. You will automatically continue with Tricare unless you complete the form that was sent to opt out.

Arizona State Physicians Association is working on a clean-up project of items that our plans are requesting we have on file. We want to have the updated information in our system to provide to the Health Plans. You will be receiving a form requesting current information, please complete the form and send back as quickly as possible.

## Events

Please be sure to RSVP to our November events. We do have limited space and it is first come, first serve.
